CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

Officers from the Riverside Police Department (RPD) were advised of a possible hazardous condition (barrels discarded on the street and shoulder) in the 3700 block of Placentia Lane. The City of Riverside Fire Department, including the Hazardous Materials team, responded to the incident. There were six barrels on the road and shoulder. The material(s) in the barrels was analyzed and determined to be non-flammable and non-toxic. Arrangements were made for the barrels to be collected by a private, hazardous materials transport vendor. There were no civilian or firefighter injuries.
